

BRADSHAW CRICKET CLUB - SUBSCRIPTION SCHEDULE 2011

BRADSHAW CRICKET CLUB

Dear Member,

As we say goodbye to 2010, I can honestly say that it has been another "whirlwind" twelve months here at BCC.

We have carried out a full senior and junior square-relaying project which basically means we have new squares, which in effect means we should improve our cricket at all standards as we will be playing on near perfect surfaces.

The renting of the clubhouse has increased massively as we thought it would do after the kitchen and clubhouse refurbishments of last year. This again will allow us to invest more monies into the cricket teams as a whole with more coaching courses attended for junior cricket which should improve our standards. The proceeds from our second beer festival, which was once again a great success, went a long way towards the improvement work on the square, as well as making a substantial donation to the Motor Neurone Disease charity.

The junior cricket season was not as successful as we would have liked, however, all our teams competed to a high level in all competitions. Most of these players, because of their age, will again be in the same teams and the experience gained last year should benefit them this year. Thanks to all coaches and Managers for their dedication to their respective teams for the 2010 season. Thanks to Mike Buckley who again has co-ordinated junior cricket on all fronts..

On the senior cricket field it was a massive improvement year for the first X1. Due to the unfortunate injury suffered by Craig Duxbury, the team was well skippered by Phil Dickinson and Pete Walters and performances by all the team were massively improved from the 2009 season. We are delighted to announce that we have agreed terms with **Usman Arshad** to be our professional for the forthcoming season and I hope that you will all make him feel welcome when he arrives in April.

The second team again won the Birtwistle cup and finished runners up in the League. There are too many people to congratulate for their performances, however, please be assured that their performances have not gone un-noticed. One person who I cannot fail to mention is Mark Gwilt who skippered the team to success. Mark after an illustrious career has decided to let someone else drop easy catches in the slips and retire from the game. Mark is massively involved in the club in other areas as you are all aware, so his retirement will enable him to concentrate more on club duties. Sorry Jo.

So what will 2011 bring? Well, I can confirm that E Platt & Sons have agreed to remain the clubs main sponsor once again and I want to thank Phil and Melanie Williamson for pledging their support to BCC for another year. In such tough financial times, their commitment is fantastic and long may it continue.

We also have a new web site at www.bradshawcricketclub.co.uk. On the site will be upcoming events, team selection and many other things about the club. Please try and use this excellent form of communication.

When you go down to the ground you will notice jobs have been done, For example the front of the score-box has been flagged and the area for the covers improved. This is due to our friends at TNG and their leader Peter, our thanks go out to them for all their hard work. Also it would be remiss of me not to thank Ian Counsell and Marshall's for all their material, which was given as a donation.

This year's Beer Festival, is planned for the weekend of 8th, 9th and 10th April. Last year's event was an absolute fantastic weekend for all concerned and we hope that we can improve on it this year. If you or your company would like to be one of the events main sponsors then please contact Mark Gwilt on 07742 739922 for details. Mark can go through the sponsorship options in more detail, but I can assure you, it will be extremely worthwhile, as last years sponsors will testify. Also available is board sponsorship and match ball sponsorship , speak to Mark about these deals.

The Membership options have changed slightly from 2010. All junior team members will now pay £1 per game + membership, this will be put back into Junior Cricket to improve facilities. Match Fees for Senior cricket has also risen, but so has the standard of the Teas they receive.

We have several fundraising events mainly club nights and social nights between March and Oct, so please try and support them whenever you can. You can find the full details on the 'What's On' section on the website.

Lastly can I ask that you all renew your 2011 membership as quickly as possible and take advantage of our early payment scheme for cheaper prices. Money is tight over the winter period so we are most grateful if you can pay early.

Regards **Steve Dickinson (Chairman)**
