Safeguarding Adults Policy

BRADSHAW CC is committed to creating and maintaining a safe and positive environment and accepts its responsibility for safeguarding adults involved in all levels of cricket in England and Wales in accordance with legislation.

Safeguarding means protecting an adult's right to live safely, free from abuse and neglect.

The BRADSHAW CC Safeguarding Adults Policy applies to all adults involved in cricket.

The BRADSHAW CC encourages and supports partner organisations, including clubs, leagues and counties, to adopt and demonstrate their commitment to the principles set out in this Safeguarding Adults Policy.

Legislation in England and Wales defines an 'Adult at Risk' as any person aged 18 years or over who has care and support needs, who is experiencing (or at risk of) abuse or neglect, and as a result is unable to protect themselves from abuse, neglect, or the risk of it.

Legislation in both areas commits to putting the adult at the centre of decision making, empowering adults to make decisions for themselves with support from others where appropriate.

Aims

The aims of our Safeguarding Adults Policy are to:

- Stop abuse or neglect wherever possible
- Prevent harm and reduce the risk of abuse or neglect to adults with care and support needs
- Safeguard adults in a way that supports them in making choices and having control about how they want to live
- Promote an approach that concentrates on improving life for the adults concerned
- Raise awareness so that cricket communities, alongside professionals, play their part in identifying and preventing abuse and neglect.

Principles

This policy is based on the following principles:

- All adults, regardless of age, ability or disability, gender, race, religion, ethnic origin, sexual orientation, marital or gender status, and pregnancy and maternity have the right to be protected from abuse and poor practice, and to participate in an enjoyable and safe environment
- The BRADSHAW CC will seek to ensure our sport is inclusive and make reasonable adjustments for any protected characteristics, ability, disability, or impairment. We will also commit to continuous development, monitoring, and review
- There is a zero tolerance approach to the abuse of adults
- The rights, dignity and worth of all adults will always be respected
- We recognise that ability and disability can change over time, such that some adults may be additionally vulnerable to abuse, in particular those adults with care and support needs
- Safeguarding adults is everyone's business and responsibility
- All allegations of abuse and neglect will be taken seriously and responded to quickly in line with the BRADSHAW CC Safeguarding Procedure

- The BRADSHAW CC recognises the role and responsibilities of the statutory agencies in safeguarding adults and is committed to complying with the procedures of Local and Regional Safeguarding Adults Boards.

Making Safeguarding Personal

'Making safeguarding personal' means that adult safeguarding should be person led and outcome focussed. It engages the person in a conversation about how best to respond to their safeguarding situation in a way that enhances involvement, choice, and control. It also improves quality of life, well-being, and safety.

Wherever possible, discuss safeguarding concerns with the adult to get their view of what they would like to happen and keep them involved in the safeguarding process, seeking their consent to share information when possible.

There may be circumstances where you need to share information with other agencies without consent to protect an individual.

Confidentiality

To build trust and respect, it is important that information is treated as confidential as far as is reasonably possible. If you think that sharing information with another person (such as a Safeguarding Officer, coach, or manager) could help the person, encourage them to disclose information themselves with the people who need to know. If they do not wish to do this, explain that you will need to inform others and the reasons why, and seek their clear and specific consent to this.

Relevant Policies

This policy should be read in conjunction with the following policies:
